MEMORANDUM FOR: Members, Intelligence Producers Council

FROM:

[redacted]  
Chief, Intelligence Producers Staff

25X1

SUBJECT:

Draft National Intelligence Topics (NITs)--FY 1989

25X1

1. Attached for your information and use as appropriate, is a draft copy of the FY 1989 NITs. It is being provided to you in preliminary form in order that you may use the document for your planning purposes, particularly in developing production agendas. [redacted]

25X1

2. The FY 1989 NITs will be tabled for consideration and approval at a meeting of the Senior Interagency Group, Committee on Intelligence Requirements and Priorities (SIG-I) scheduled for late August or early September 1988. [redacted]

25X1

3. You will note that [redacted] has been elevated to a National Intelligence Topic. This year, the NITs received working-level coordination through a newly established NITs Working Group chaired by the IPC. This group represents policymakers from the NSC, Departments of State, Treasury, Commerce and Energy as well as the JCS. We believe the new NITs have benefited from the coordination process and are better focused and more relevant to the needs of senior policymakers. [redacted]

25X1

4. The final revision of the FY 1989 NITs will be published and disseminated in September 1988, subsequent to SIG-I approval. In the meantime, if you have any comments on the draft NITs, let me have them as soon as possible. [redacted]
